TEMPORARY SHEET METAL FASTENERS

Ideal for close tolerance positioning of thinner layers of material. Great for composites and honeycomb materials. Will not damage the work surface or elongate the drill hole.

- Features
- Quick and easy installation and removal
 - Speed nut spins up and down with the flick of a finger
 - No pliers or installation tools required
 - Indefinitely reusable and economical
 - Color-coded for easy size and identification
 - Non-marking to protect the work surface
 - Unique tips provide maximum gripping strength
